Detailed Itinerary

Day 1: Arrive Maun – Transfer to Moremi Game Reserve

Arrive at Maun Airport where you'll be met by your safari guide. Travelling north-east by road from Maun, you will be transferred to Moremi Game Reserve - Africa's finest game viewing region. Eventually, after having travelled 99 kilometres from Maun, you'll reach the southern entrance gate of the Moremi Game Reserve.

Upon reaching your private designated campsite, everything will be set up and ready for you - all camping equipment for the trip duration including spacious dome tents with stretcher beds,

mattresses, bed linen and en-suite bush ablutions, including a mobile kitchen and dining area. This safari is a non-participation tour where your safari team will carry out all the necessary chores to keep the safari running smoothly. Time to have lunch and relax before going on an afternoon game drive, searching for the wide variety of wildlife and birds that this area is renowned for, while absorbing the sounds and beauty of this region. You have 2 days to explore this amazing part of Botswana as you embark on morning and afternoon game drives.

You will arrive back at camp just before dark to a roaring fire to welcome you back after an afternoon out searching for wildlife with your guide.

Day 2: Explore Moremi Game Reserve

Depart early on a game drive which will take you to Xini and Black Pools. These areas are in the south western part of Moremi. With seasonal and permanent swamp landscape, these two areas are home to all major animal species including elephant, hippo, buffalo, wildebeest, impala, kudu, tsessebe, giraffe, waterbuck, red lechwe, zebra, lion, leopard, cheetah, spotted hyena, wild dog, and more than 500 bird species - including African fish eagle, African skimmer, southern carmine bee-eater, crested crane, sacred ibis, green-winged pytilia, wattled crane, lesser jacana, and many more.

Your morning game drive will end mid-morning and brunch will be served after you get back to camp. Brunch is followed by a few hours of leisure in camp. The direction of the afternoon game drive is often determined by what you saw in the morning. Sightings worth returning to are visited again.

After an adventurous day and a sundowner, a leisurely game drive to your camp will give you great opportunities for amazing views of the sun setting over this area, which combines mopane woodland and acacia forests, floodplains and lagoons.

Day 3: Transfer - Moremi Game Reserve to Maun

Depart early on a game drive. This is your last opportunity to see the more elusive animals not yet spotted over the past 2 days, as you continue on to Maun. Your safari ends at drop off at your lodge or at Maun Airport.
